

Babawatoto Fit for Life

About us

Fit for Life: Educating vulnerable youngsters in the arts and creative industries in Dar es Salaam

- A project supported by the European Union from March 2013 - February 2016

Objective

Strengthen and enhance the creative, training and management activities at the Babawatoto Centre for Children and Youth

Leader

Goethe-Institut Tanzania

Partners

Parapanda Theatre Lab (TZ),
International Cultural Centre
ufaFabrik (Germany),
Babawatoto Centre for
Children and Youth (TZ)
Mburahati, Dar es Salaam

What difference will it make?

Children and youth of the Babawatoto Centre will have more confidence in their own abilities and will be able to express themselves through art

What we do

FIT FOR LIFE provides a forum to strengthen social skills, to develop cultural identity and to lead into the field of creative industries and economic development. Activities are implemented to create and secure a stable national, regional and international network. The children's cultural centre is enabled to attract new exchange partners for its emerging artists and music groups. Regular performances of the centre's young acrobats, musicians and theatre groups at fairs and festivals in the region as well as at selected touristic events generate further revenues.

These trained and motivated youths need support to go to the next phase after the now ending of EU funded period from March 2016 on.

You as a corporate, an NGO, an international organisation or private, have an opportunity to engage in a long-term partnership with the Babawatoto Centre for Children and Youth

You can do this by partnering with the Babawatoto Centre in

Supporting the Babawatoto Centre through a monthly regular donation of TZS 20.000 or a higher amount of your choice to secure the weekly training courses

Engaging the children to do performances at your functions – and paying them for it!

Engaging Babawatoto trainers to lead training courses at your school, NGO or other organisation

To find out more how to support and engage, contact a representative of the Babawatoto Fit for Life organisation:
